## Overview

Enjoy all day comfort with the full size 2.4GHz wireless Blue Trace mouse that is Windows 8 optimized with two hot key buttons for charm menu and application switching. The 5 button mouse works on virtually any surface and includes a built-in scroll wheel for quick navigation.

The 1600 dpi high performance optical LED sensor provides smooth and precise cursor control on large high resolution displays. This mouse is beautifully sculptured with a contoured shape, soft rubber grips, curved sides and broad palm area to reduce fatigue while enhancing the aesthetic appeal of your desktop.

The smart power management "wake-up" feature extends battery life and is complemented by an ON/OFF switch and low battery indicator. The self-storing wireless USB nano receiver makes this an excellent choice for the home, office or while traveling for business.
